2pp CD Insert

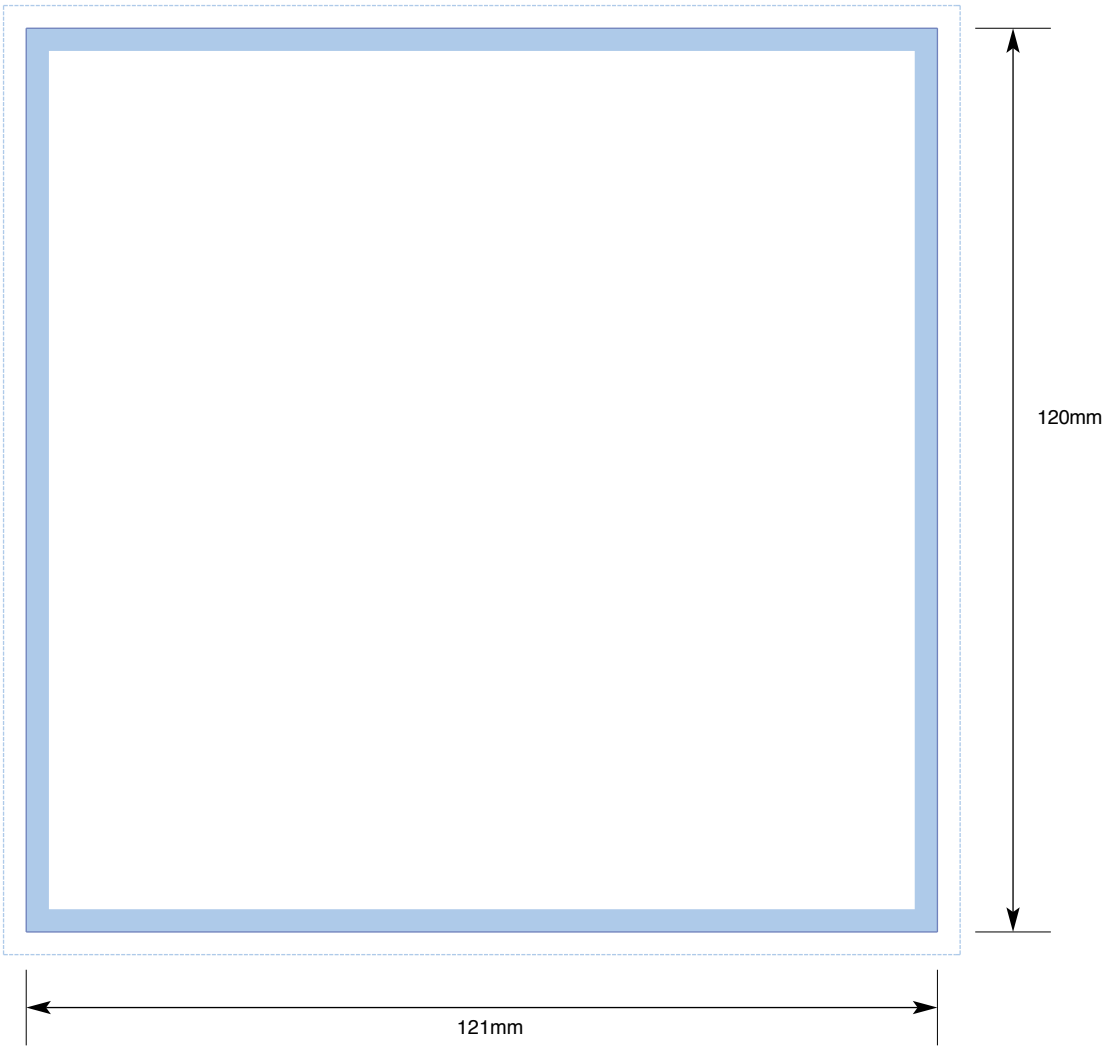
Not to scale

Key:

3mm Bleed

Trim (please keep all text/logos 3mm away from this trim line)

Fold



Please note

We can accept **Press Ready PDFs** and also original artwork files in the following software packages:
InDesign, Photoshop, Illustrator - CS4 or below,
or **QuarkXPress** - 6.5 or below.
When supplying the original artwork files please include any linked images and fonts.

Artwork not supplied to these specifications will require either additional chargable pre-press time or re-supply of correct artwork which will affect the delivery date.
